## ANNOUNCING THE REVISED, THIRD EDITION

# THE ENCYCLOPEDIA OF Natural Medicine

From two world-renowned naturopathic doctors comes the authoritative third edition of the classic reference work, revised and expanded to include the latest cutting-edge natural therapies for the most common ailments.

Michael Murray and Joseph Pizzorno focus on promoting health and treating disease with non-toxic, natural therapies, and this groundbreaking book is now over 1200 pages and covers over 100 different health conditions. It shows you how to improve your health through a positive mental attitude, healthy lifestyle, health-promoting diet and supplements, with plenty of practical tips.

The Encyclopedia of Natural Medicine will teach you:

- How to learn disease prevention through enhancing key body systems
- The major causes and symptoms of each condition
- The therapeutic considerations you need to be aware of
- Detailed treatment summaries that include the most effective nutritional supplements and botanical medicines
